

**“40 DAYS OF FAITH ~
EXTENDED”**

*Assessing Ourselves
With Our God-Given
Measure of Faith*

Romans 12:1-8

**Christian living is not
willpower religion ~ ~
it's the overflow of a **new
mind and heart created
by the Holy Spirit. It is
supernatural.** You can't
produce it on your own.**

The renewed mind brings forth behaviors that reveal the worth of God ~ the renewed mind is a mind that treasures the glory of God above all things ~ it has a passion for the supremacy of God.

*“For I say, through the
grace given to me, to
everyone who is among
you, not to **think** of
himself more highly
than he ought to think,*

. . .

. . . *but to **think** soberly
(sober judgment), as
God has dealt (assigned)
to each one a measure
of faith.” (vs 3)*

**The essential newness
of the new mind
(renewed mind) is its
faith, and therefore **is**
the glory of Christ
seen and savored as
our greatest treasure.**

What is the essence of

1. Faith is **looking away**
from **ourselves** to **another**.

2. Faith is **total dependence**
on **another**.

3. Faith looks to Christ and enjoys Him as the measure of all that is good and right and beautiful and valuable and satisfying.

**Faith is the measure
of thinking soberly
about ourselves because
faith is a gift of God
and therefore
eliminates boasting.**
