

*Assessing Ourselves
With Our God-Assigned
Measure of Faith*

Romans 12:1-8

“For by the grace (unmerited favor of God) given to me I warn everyone among you not to estimate and think of himself more highly than he ought [not to have an exaggerated opinion of his own importance] . . .

**. . . but to rate his ability
with sober judgment, each
according to the degree of
faith apportioned by God
to him.”**

Romans 12:3 Amplified

“Living then, as every one of you does, in pure grace, it’s important that you not misinterpret yourselves as people who are bringing this goodness to God. No, God brings it all to you. . .

. . . The only accurate way to understand ourselves is by what God is and by what He does for us, not by what we are and what we do for Him.”

Metron - (I) that which is used for measuring, a measure
(a) of a vessel;
(b) of a graduated rod or rule of measuring;
(II) that which is measured; a determined extent, a portion measured and given according to the will of Christ.

Faith is the **measure of the self because the essence of faith is that it looks away from self to Christ and treasures Him as infinitely valuable, significant and worthy of esteem.**

**Faith is the **measure of
our self-identity and
self-assessment****

**because faith is a gift of
God and therefore
eliminates boasting.**

**God assigns faith in
different proportions to His
people because it produces
humble interdependence
with all of us serving and
being served ~ which leads
to unity in diversity ~ which
glorifies God.**

**Relax and become
comfortable with
who you are!**

**Repent of your
feelings of
inadequacy and
trust God!**

**Surround yourself
with the
right people!**

**Stop comparing
yourself to others!**

**Rejoice that God
does not leave
you alone!**

**Don't content
yourself with a
low, weak condition
of faith!**
